“ I always will keep you in mind, just crazy on how long but slow was with how your death was. Besides the arguments and other issues the family had, you never kept a fight or insult. And as your grandson and how you said to stay strong in your honor, I am. Miss you Bobo.

“ I had the honor of meeting Mr. Robert on only one occasion, but on that occasion, I was struck by the depth of his love for his family and his vibrant, intentional personality. It was a time I certainly will never forget. It felt less like an introduction and more like a reunion with an old friend—a sentiment of which I have no doubt would be echoed by countless others. Rest in peace, Sir. Enjoy paradise—you've earned it.
