“Sandy was a dear friend and colleague from the Salem Health Department, and is remembered fondly for her caring ways, her support to women, infants and children involved with (WIC), her amazing culinary skills (the BEST squash casserole), for always sharing whatever she had, and her deep love for her family. As good friends do, Sandy shared stories about her family, and kept up with mine~ she was always clear that family was everything, and was dedicated to family, friends, her work and her church. Many wonderful memories linger and Sandy is/will be missed. I am thankful you are with your Mama and Daddy and Mac once again, and may you now rest in peace sweet friend. 💜 Marlene Garman (Greg & Family)

Sandy was dear to me, and our entire health department family. We were a close group, and though time and distance separates, those friends we love like family are always close, in heart and thought. Prayers for peace and comfort during this difficult time.
