“ I knew Mrs. Noonkester as Nanny thru Kim, her granddaughter. She was a very sweet and feisty little lady. I always liked to see her because she would say things that would have me laughing. The family has had a lot of sadness lately with Beth’s passing and now Nanny. My heart goes out to the family and especially Kim because I know how much she loved her Nanny. I will also miss her. I had not seen her much in the last few years, but I always as Kim how she was doing. She will be sadly missed.
