“ Mrs. Shirley always embraced me with a smile and a hug whenever we crossed paths. She was a genuine person who gave unconditional love. She will be missed but knowing she is reunited with her dear momma who she spoke of often gives me comfort. The family will be in my thoughts and prayers.

“ Shirley was absolutely the best. She and Debbie were both family to us. She shared her family and their accomplishments with us. . She was so proud of them all. She took such excellent care of our mom. We never worried when she was with Shirley (or Debbie). Shirley and my mom were good friends through their time together. I know they met each other with hugs when they got to see each other again in heaven. She was a true Christian in every sense of the word. We loved her so much. She had a great sense of humor. We can still see her driving the Pontiac Tempest she got from her daddy. The world will miss her. She was a special lady. Heaven is a brighter place! Sending hugs to all of her family ... kids and grandkids. Thanks for sharing Shirley with us. She was a treasure.
