“ Shirley was a sister to one of my best friends, Joyce. Through that friendship, Shirley and Gene were around. She was indeed funny. Since losing both Joyce and Gerry, haven't seen much of the family. To all that those other family members, I am so sorry for your loss. Thoughts and prayers.

“ Shirley was one of the funniest, sweetest, sassiest women that I’ve ever known. She was small in stature but had a HUGE personality. I will forever have emblazoned in my mind an image of her with her stirrup pants, fancy sweatshirt and little sneakers. She was a surrogate grandmother figure to me, and I’ll always think of her simply as “Nanny.” I’m praying for God’s peace and comfort to all those who loved her on earth, and I’m also imagining the ruckus that she and Pawpaw (Gene) must be causing in heaven now that they’re together once again. I’ll love you both, always 💜

“ She was one of the best Aunts ever. Always smiling, laughing, joking, and SINGING 🎵 for our entertainment. She and Aunt Joyce Lucas Robinson showed me where I get my "Lucas" woman, strength, & independence from. ❤️
