Kathy, I have such good memories of your mother during my childhood friendship with Becky. Many fun times at your house in Lee-Hi Court and even fond memories of your Mom's Mom during that time. My thoughts are with you and your son during this time of loss. Debbie Gerberich

“ *Kathy, I absolutely loved your Mother. She took me under her wing in 1990's and even though I was not around her lately. I still tell stories she told me and things we did while working together. I know heaven is brighter today because she is there. I hope you know how ever much she loved you and Lucas. Love and prayers.- Helen Royal*
