

Takimah "Mecca" Brown Eason Allen

April 24, 1991 - October 23, 2025

Oh how glorious heaven must be with yet another one of God's own beautiful angels, Takimah "Mecca" Brown Eason Allen was born on April 24, 1991, in Newark, New Jersey, to Alfred Brown and the late Gayle Perry. In 1995, she was fostered by Vanessa Eason, who later adopted her in 2023.

On March 7, 2024, Mecca met the love of her life, Joshua Allen, and the two were united in marriage on March 15, 2025.

Mecca spent her early years in Newark, NJ, before moving to Lakewood, NJ in 1996. From 2007 to 2008 she was in the R.O.T.C.. Later, in 2009, she relocated to Christiansburg, Virginia, where she graduated from High School in 2010. She continued her education at Radford University, and participated in Project Search. Shortly after, she began her career at Carilion New River Valley Medical Center, where she dedicated 13 years of service as an Environmental Service Technician.

Mecca was the sweetest, most loving, and extraordinary person to walk this earth. Her radiant smile and warm hugs could brighten anyone's day. She had a special gift for making others feel loved and valued, especially the children in her family whom she adored deeply. Her kindness, laughter, and generous spirit will forever live in the hearts of those who knew her.

She leaves to cherish her memory her beloved husband, Josh Allen; her foster mother, Vanessa Eason; her father, Alfred Brown; siblings, Jeanette Eason, Tharon Perry, Dannielle Perry, and Kamilah Brown; nieces and nephews, Quamell Jackson, Ishmell Jackson, Saniyah Nelson, Trinity Moyer, and Christian Perry; mother-in-law, Lorrie Love; father-in-law, Don Allen; brother-in-law Darrell Allen; foster siblings, and a host of aunts, uncles, cousins, and dear friends.

We who were humbled to know Mecca's love, light, and laughter are forever changed. She lives on.

Mecca's family would like to express their deepest appreciation for all the prayers, calls, visits, and acts of kindness shown during this time of loss. Your love and support mean more than words can express.

A Celebration of Life will be held at Scattergood Church in Christianburg on Saturday, November 8th at 11am. In lieu of flowers, please consider donations to Go Fund Me set up in Mecca and Josh's names on Facebook or to Josh Allen to help with funeral and final expenses.

May God bless each of you.

“Her Smile”

Though her smile is gone forever,
And her hand we cannot touch,
We still have so many memories
Of the one we loved so much.
Her memory is our keepsake,
With which we'll never part.
God has her in His keeping,

We have her in our heart.

“ So much light in Mecca's smile! For all of us who saw her at work, no matter how briefly, she could make our day, make us laugh, change our mood from horrible to happy. She had a different running joke with each of us, such a gift. Her loss is heartbreaking. I miss her.

“ My heart breaks for you, Josh and all who knew and loved Mecca. Her sudden passing was such a shock to all of us. I met Mecca when she first came to work @ CNRVMC when I worked in the Endo Suite. Her giggle/laugh was quite infectious and I surely will miss hearing it. All I can offer are prayers of comfort and peace for all family and friends at this time. I send Philippians 4:23 with love. “ Mecca was a lovely person. I knew her for only a few months; but, I could tell she was a kind, caring person with always a smile. I wish I could have had more time with her.

“ *Mecca will always be held close to my heart ❤️💜! We grew up together once we came across each other in our early school years, and became close friends; even stayed close friends till this day after she moved away. She was always one of the kindest people I've ever met, and I'm a continue to miss her dearly. Loved being around her, spending time with her talking, getting close to her and much more. No matter when I needed her; she was there for me. As I was there for her. Miss you bestie, and always know I love you.*

“ I didn't know Mecca for long but in the short time that I did I can without a doubt say she was a light that will deeply be missed. Mecca was always making jokes and would always say how gullible I was. My favorite memories of her will always be her calling me to play practical jokes on me, which I always fell for. Saying how she overslept and couldn't make it into work even though she was here working away. Or when she would say she still had 10 rooms left in her unit to do and she had to leave, when in reality she was already done. She always made me smile and I will never forget her presence and the ability she had to make everyone laugh. You will be missed.

Words cannot express the effect Mecca had on her stay here on earth. She was a blessing to everyone that she made contact with. Her smile was a light in this sometimes dark world. She found positivity in every situation. I am so blessed that our lives met and became a very dear friend and sister in Christ. Her hugs let you know things were looking better. She loved movies, I will miss her calling asking " Did you watch This is us or Empire last night. It was a pleasure to visit the beach with her, she loved the ocean, she loved children and they loved her. You are part of our family and will always be missed and loved. Fly high and dance for our GOD. Forever in our hearts

Mecca was a beautiful and lovely person. Every time I saw her, she was so happy and friendly. I would see her on a regular basis when I worked at the hospital. She would always speak to me & smile so sweetly. I just ran into her the other day at the store & she gave me a big hug. She was telling me how happy she was to be married. I will miss seeing her smiling face. My thoughts and prayers are with Vanessa.
