“ Teresa was one of the sweetest person who loved everyone.

*She had a heart bigger than the universe.*

*She always had a smile on her face and I never heard her complain about her own*

*personal problems or pains, She was more concern about the other person and how they felt. I remember Teresa always making a Cheese Ball for Larry to bring to us at school during Christmas. I looked forward to that every year.*

*She will be greatly missed and I am blessed to have had her in my life.*

*My prayers and love go out to Larry, Lindsey and Todd. May God give you peace and comfort.*
