“ Although I didn't know Tom for very long (a few years) he always impressed me with his work ethic even in senior years. I will miss his guidance and help. Sending thoughts to Val and their family as they navigate this time.

“ Tom approached everything in life with open arms and with love. His relationship with Val was his proudest achievement. He would often tell us the story of their meeting. The way his eyes would light up, as he told the tale, revealed his deep feelings for her. He was a truly wonderful man and will be missed...

“ Tom was such a natural giver to his community and to his friends. And boy, could he make the best peanut brittle—I always looked forward to tasting that yummy treat during the holidays. He will be remembered for his kindness , his faithfulness to his friends, standing by them through good times and hard times, and also for the joy he brought to those around him.

“ I worked with Valerie for many years. During that time, Tom often brought goodies by the office for us - donuts, mostly. But sometimes he brought Skosh by, too. Last summer, Tom hired my young son to do handyman work with him - landscaping and such. My son was so impressed at how strong Tom was - working along side him, dragging tree branches to the end of the drive! I will forever be grateful for Tom's kindness to us over the years & especially to my son when they worked together last summer. Praying for Val and the family. He will be missed.
