“ *I met the Lewis family when I moved to Fairfax village apts from being from the other end of town when I was a young kid. I went to school and played ball with Donnell and Spencer. They lewis family has taken me in and treated me as family and my parents loved them and treated them like they were my brothers. For the past 12 years Tommy and we're closer than brothers at times. Him and Donnell helped me through some of the toughest times of my life. The loss of my parents and just about every other family member. We've laughed together, cried together, and struggled together. He would always call and check on me. The world is a better place for having Tommy in it. He will be sadly and greatly missed. My prayers for his entire family. Rest in peace my brother I love ya!*
