

Travis Wayne Miller

June 24, 2021

Travis Wayne Miller, 39, of Ripple Meade, VA, June 24, 2021, at Roanoke Memorial Hospital, with his loving family gathered around his bedside. L
SEP
Born in Wise, VA, He was the loving son of Robin Cox Smith and the late Dennis Miller.

He is preceded in death by his grandparents, Dannie Cox and Eddie, and Zetta Miller.

He is survived by his loving children, Allie, Gavin, Ryleigh, and Liam; his loving companion, Andrea Kast; sisters, Sarah Whittaker and children, Connor, Justin, and Oaklee; Sylvia Milam and son Jordan; brothers, Daniel Hopkins and children, Matthew, Nathan, and Kyndal; Daine Hopkins and children Brayden and Landon; grandmother, Patricia Cox, and a host of aunts, uncles, cousins, and friends.

Travis loved his children and family dearly and spending time with his family and friends was his most favorite thing. He loved the outdoors and enjoyed fishing, hiking, and kayaking when he had the chance. He was a dedicated “hokie fan” and was always up to watching a good football game. He will be remembered as a caring person who was always willing to help others. His legacy will live on in his children and family with many memories of good times spent together. He was a family man and proud of it; a father, a son, a

brother, a nephew, a grandson, and a friend to all. He touched the hearts of all who knew him with his contagious smile and a laugh that brought joy to all.

His last selfless act here on this Earth was giving the gift of those in need of Organs. He left this world way to soon, but what an impact he made on it.

Those who knew Travis, even just a little, lost a shining light in their lives. Memorial Services will be conducted on Friday, July 2, 2021 at 2:00 pm in McCoy Funeral Home Chapel. The family will receive friends from 1:00 until the service. Arrangements by McCoy Funeral Home, Blacksburg.

“ *Travis, where do I start? Everyone who knew you knew they had someone who had their back, just like a brother if not closer. I know over time people grow apart but bro the memories we all share with you were like yesterday and will never be forgotten. We will all miss you brother. Say hi to Dennis for us all and you two keep an eye on us because we'll be looking up. RIP big guy!*

“ *I can't believe he is gone. I have often said Travis has seen me in my pajamas as much as Ronnie did. He would stop by late evening or early morning when Gabe was still at home. He was like another son growing up in high school. Hope these memories bring a smile to your face. He is sure going to be missed.*

“ Sarah and family,
I am so heartbroken to hear of Travis's death. He was such a fun person to know at BHS. I know he will be missed by many. I know he had a great loss when his Dad passed away, and I find it somehow comforting to know that they are together again. I know he's in a better place now, but the world has lost a very important person. So long until we meet again, Travis. Hug your Dad tight!
