“ I thought of my cousin Valerie who's in Heaven now walking with the Lord, she is no longer suffering for the Lord said He would "Renew Our Youth". Valerie, I will always love you and I thank you for our childhood memories we made together from making mud pies decorating them with wildflowers to catching turtles and feeding them water out of small glass baby bottles, playing in the creek, swinging on a grapevine, playing with barbie dolls, we had the best time just running thru the grass, rolling down a hill and making make believe salad ect out of twigs, leaves and grass, I could go on and on down this memory lane, I will cherish and carry these memories forever tucked away in my heart.
