“ Jim, Austin, Kerri, Kristen and all of the family. It’s hard to believe Vicky is gone, such a vibrant person that could always make you laugh out loud! I haven’t been close with Vicky for such a long time...too long...BUT around 25ish + years ago , we were the best ever Co-Moms for Austin & Shane!
Besides being Moms together, Vicky, Jim. Glen and I also had a great time together with them by the pool, in the lake, at soccer games, and all of the other sports those boys were in! Brandon was soon born and Vicky took him under her wing along with the boys in all of the sports and family times! Kerri soon brought more children to Vicky’s life...Vicky just had a way with the kids in that they all loved her!
I miss those times and will miss Vicky but I know the lord has her in his arms.
May God bless all of you in Vicky’s family,

My heartfelt condolences, Susan

“ *Our friendship began in high school when we both worked at Leggett after school and weekends. Most recently we worked together on a committee to plan a 50th high school class reunion only a few years ago. Our families had cabins beside each other growing up at Claytor Lake. Always smiling, always sharing kind words and memories of our past escapades in Christiansburg. You were loved by all and will be missed by thousands. Sending much love to her family and our friends. RIP Vicki*

“ *It broke my heart to heart to hear of Vicki's passing. I knew her since childhood because of going to school with Pam. Then in 2000 at very tough time period in my life, God brought her into my life as one of my nurses. Her caring & kindness made things a whole lot better. Her caring & kindness continued since that time. Every time that I seen her, she would ask me how I was doing & give me a big hug. It warmed my heart every time I run into her. She was best.*

My deepest sympathy & prayers to Jimmy, Pam, & the entire of her family.

“ *Aunt Vikki was always good to me and always made me feel special. One of my first memories is her young and (as always) beautiful in the 70's. She seemed so glamorous to me. My first Christmas present from her was John Denver's Back Home Again album. 💙*
