“ Violet was in my class at CPS this year. She was such a sweet, loving, funny, smart girl. She had a great sense of humor and loved to come up with crazy questions to ask me every day! She was a good friend and always kind to everyone. I'm grateful for the time I had with her. She will be dearly missed.

“ *I first met sweet Violet when I started working at Michael's with her mom several years ago. At such a young age, she was inquisitive, smart, and very loving. Her smile and laughter was infectious. In addition to working with her mom, I am also a teacher at CPS. At school, she was very insightful and always wanted to learn more. Violet's quest for knowledge was insatiable.*

I will miss her dearly and will always treasure the hugs I received throughout our days together. Rest easy, sweet girl!

Sending love and prayers to her family and friends she has left behind, especially Eliza and Danny.

“ *Our sons attended Adventure Club with Violet- I always loved seeing her smiling face when I was there to pick them up. Nolan loved Violet so very much- she was his "person" there and I heard about her and their fun together every single day. She made such a positive impact on everyone around her and was an amazing and kind friend to our boys- her memory will always be with them. There are absolutely no words to express our sorrow for the grief you are experiencing- we are praying for you daily.*

Love-

Brooks, Meagan, Nolan, Ezra and Daphne Arthur
