Jennie and I were both born on Oct. 12 and for years we worked closely at GE and called ourselves "twins!" I did not know until 20 minutes ago that Jennie had passed away on 11/23. I feel like I have lost a member of my family. Linda, I am so sorry. The only difference in our situation was that I am six years younger than Jennie. We attributed that to the fact that it took me longer to get here! I will miss her! Jean Brydge

“ I have known Virginia since I was 18 years old. She was one of my "workplace moms" that encouraged me as I matured & grew old. She was a social lady that still played bingo, partied with her many friends & thanked the Lord for the blessings of her daughter & son-in-law. I will miss talking to my friend.

“ I knew Virginia from English Meadows, as she and my mom were friends there. Always a smile on her face and one of the sweetest women I've ever met! Our thoughts and prayers are with her family!
