“ Vivian was a cherished neighbor for several years before she moved to the Kroontje Health Care Community. She had a beautiful flower garden and was always out tending to them. She was also made some delicious homemade biscuits! Vivian was known to have to herd our goats and chickens back to our house next door, and it was like watching the Pied Piper, as she gently urged them and they followed. She also loved riding our 4-wheeler with Bill. We have missed her, and now we know she will be forever joined with the family members that have gone before. In particular, her dear sweet daughter, and my friend, Sandy Graham. Rest peacefully with the Lord, Vivian. You had a life well lived.
