“ To my loving Aunt Myrtle and dear cousins,
Marilyn, WH and Maz,

I can go on and on with sharing memories with you about the large heart and love Uncle Dump gave to me. Our conversations together over the phone and spending time having fun and laughs as a family through the many years. His strong, yet gentle, voice, his advice when when we talked about cooking food, his strength he shared in his fatherly way when I needed it. I am so sad to hear that he has passed but I am in joy and with no doubt he is with our Lord. I am so thankful and blessed to have had him in my life.

"Thank You Uncle Dump, I love you!"

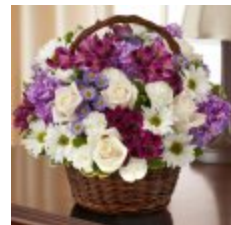

My family and I send you all our love and our condolences. Keep trusting in God and he will deliver strength to you everyday.

*All our love,
Beverly, Grier and family*

“ *Apologies for the poor quality videos. I've been blessed to have Grandad & Grannie in our lives. Our youngest Taylor loves to go visit pre-COVID-19 Great Grandad & Granny joined with Grandma Saunders "Marilyn" for visits and lunch. It always tickles my heart chords to watch Taylor brush Grannie's hair or push Grandad down to the dining area to have lunch. I was fortunate to have Grandad & Granny join Brian and I on our wedding day. Myself and the kids have been blessed with the continuous love & support they have shown us after joining the family. Love you Grandad. Rest peacefully*❤️
