“ Dear Rick, Amy, Jason, Brenda, and family ~
It is with a very heavy heart that I write these words of sympathy for your loss. Wanda was a very special lady...caring, compassionate, but also a lot of fun! I had the pleasure of working with Wanda at the bank, both in Christiansburg and Radford and am so blessed to have those memories! During her lunchtime in Radford she would go feed the dumpster kitties at Dominoes and eventually ended up catching and adopting...she had the biggest heart for animals! Thank you for sharing her and take solace in knowing Wanda made a difference in my life and many others.
Peace & love be with you in the days ahead.

“ *Richard, and family, Brenda and family, how saddened I am to see Wanda's passing. She was a wonderful person, kind and sparkling. Wanda was so wonderful to my own Mother when she worked at the bank. She always took her time to spend with my Mom and help her. I've know Wanda for about 64 years. She was precious and the world will miss her, but heaven will enjoy her. Prayers for all of you. I do know how hard this is for each of you. April Stanley Clark*

I was blessed to work with Wanda for a short time many many years ago. I would see here here and there over the years. Wanda was always full of smiles and ready to greet you with "How are you it's been a while" . We would talk and catch up a bit then part till the next time. Wanda was always the same. But I always say a smile is worth more than anything it meant kindness and caring. My prayers for the family. May her memories carry you through the days ahead. Phyllis Akers Meredith
