“ So sorry to hear that Wanda has passed. We worked many years together at Kmart. She loved and enjoyed her Kmart family. But what I remember most about Wanda is her love for her family. It was just simply beautiful. I know she had some health issues, but I also know she is now healed and dancing around the Throne with Donald and her mother. Rest well my long time friend.

“ I worked with Wanda many years at Kmart and for a few years we attended the same church she always had a smile on her face and we always had something we seem to laugh about
