“ *My condolences to all your family members on Buddy's passing. He was a great man, quiet in nature but he did so many good things for those in his community and church in Sunnyside. Mom used to send Buddy cards when he moved to Floyd; he was highly thought of in the community. My son Bill worked a short time with Buddy and James for the town of Blacksburg many years ago. Ruby made Bill a Brown Sugar Pie that he never forgot and could never get another one as good as hers. Buddy will be remembered with love by so many people for his acts of kindness to so many.
