“ We grew up together on Brush Mt. with the Reed boys. I remember when Leonard, Gene, David, Allen, and Beaver made a go cart and rode it down the curvy rode. Of course they wrecked and broke Gene's collar bone. I remember Beaver, Leonard, and David laughed and laughed at Gene. We also played Football in our front yard til dark. There's no wonder why I was so tuff. I ran with the boys. They were all good guys. Great memories. Praying for Leonard's family in this sad time. Diana Brillhart Albert
