“ It was a site to see the long stream of cars going through downtown Blacksburg in honor of dear Sid. Many pulled to the side of the road to allow passage. Going past Tech a construction worker stoped his work and hard hat over his heart. It was a beautiful day, a sad day, a loved one lost to so many.
Much love and prayers to Lisa and Family.

“ Lisa & family, David & Joyce-so sorry to hear of the passing of your dear loved one. Sid was a great man, just like his Dad. Kind and generous always ready to share all of his knowledge (and it was a great deal, he knew so much) about cars & trucks. He always took as much time as I or B.C. needed to understand what could be involved to get our vehicle fixed.. There is no other parts dealership as helpful to the public because it's family owned & operated and that family has always cared a great deal about the customers. Sid and Sammy were taught well by Sherman and carried on the family business in a manner that made Sherman proud. Sid will be really missed by family & friends, he had a great sense of humor and really loved his Va. Tec Hokies. May God bless and carry you through this difficult time. Love Joy & son, B.C.
