“ *Wayne was one of a kind we grew up together in Elliston as kids riding moped to motorcycles, going sleigh, riding later on riding four hours in the mud up in the Holler, who we live camping out at the old cabin with him and Audrey and the kids spend a lot of time together. I sure will miss him.*

“ I love my papa so much only father figure I ever had. I wish in the last years I showed him more how much he really meant to me. I'll never forget his goofy self. Always coming home with something “new” for me. From the junk yard and flea markets it was always something. Such a humble man I'll never forget him ever!!! To waking up to fried potato cakes and fried potatoes. We never had much but he made it the best. I love you so much sooooo much. I'm just trying to remember you are at peace now. Me and meme will live for you till we leave this earth. She loves you to death and always will. I love you papa until we meet again
