“ *Misty and Penny - We are so sorry to hear of your Mom's passing. I wasn't aware until I came into work this morning and saw the obituary pop up on my email. Your mother was one of the sweetest ladies I ever knew. Always a smile on her face and ready to talk. She never met a stranger. She was a easy person to love because she gave it so willing. I know that your sweet grandma was waiting with open arms for her. Our Love to both of you and may the memories carry you through the days ahead.. I remember when my Mom died Debbie told me me that she wish she could tell me that it would get better but it won't you will always miss her and she will be in your heart forever it just something you learn to live with. So sorry I can't be there Johnny brought me to work my car is in the shop. I would have been there! Know that my heart and love is there. Love Phyllis and Johnny*
