“ I knew Dr. Wills from the plant pathology, physiology and weed science days. I came to the department in 1978 as clerical and remembering typing letters and other items that Dr. Wills would handwrite and give to the clerical staff. It was good to see Dr. Wills after he retired as he would still attend PPWS events. Wirt always had a smile on his face. I am still, in a roundabout way, in PPWS - now known as SPES as we merged with 2 other departments. Judy Fielder (PPWS)
